Dedication

HUMBLY and gratefully do we, the class of nineteen-forty-six, dedicate this Boomerang in memory of those former students of Holland High School who gave their lives in World War II.

Respectfully and proudly will we always remember their great sacrifice, laying down their lives to insure that this great country of ours will still be "The Land of the Free and the Home of the Brave."

1946 OAT BIN TIPS AND SPORTS REVIEW

On Sale at All Bookie Joints and Pool Halls. Price: Ten Pesos.

Madame Zulu

PREDICTIONS OF THINGS TO COME

1. Baritone Elwin Humbert has achieved fame and fortune, singing the role of Mergatroid in the opera, "La Spitunia la Bella," written by mistake by Joyce Piersma.

2. Jerolene Johnson, noted nuclear physicist, is a member of the government commission working on the new molecular bomb. The new weapon deals with the science of molecule splitting.

3. Joan Tuinsma is credited with the invention of the Tuinsmatron, a machine useful in washing dogs.

4. Donald Schipper is campaigning for the State Senate on the Bull Moose ticket.

5. Dorothy Boss is confidential secretary to Ivan Wolters, president of the Sofa Sitters Union, Local 106.

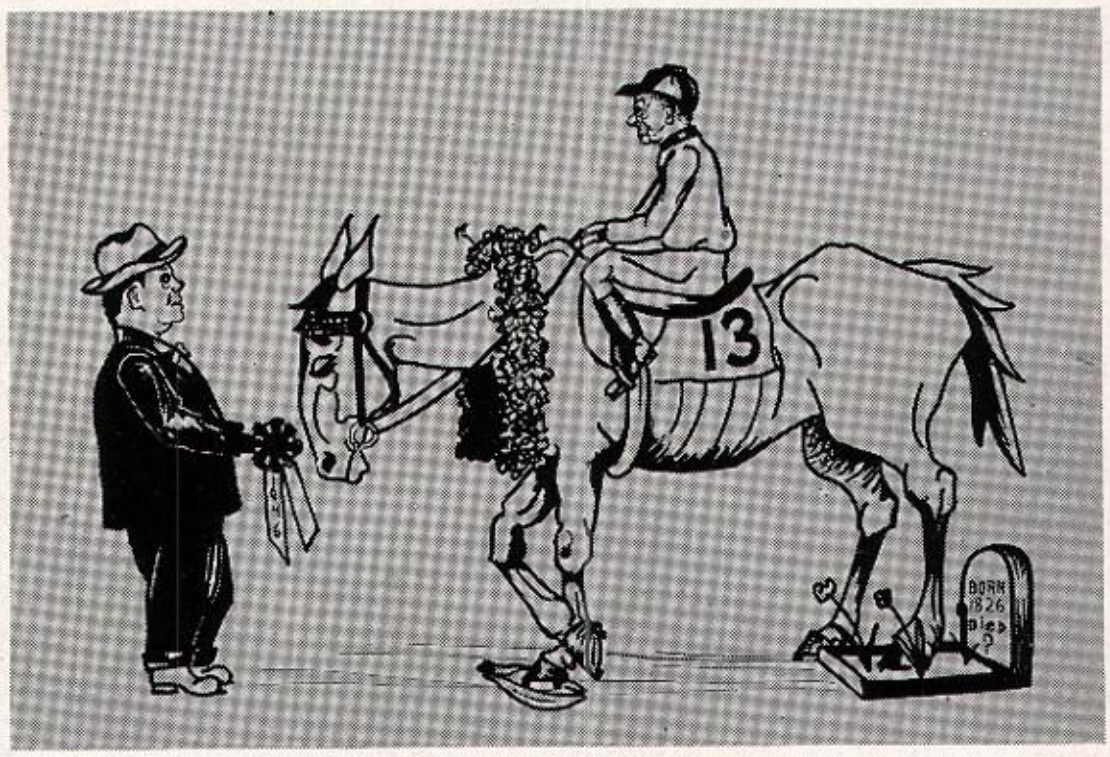
6. Mary and Helen Wolbert have signed a new contract with the Van Oort Theatrical Agency. For the past two years, they have been employed in a U.S.O. troupe touring Elk Clubs.

7. Shirley Ter Wee has challenged Elaine Van Doornik to a return bout for the world championship of Women Wrestlers. The event will take place in Riemersma Hall in April. Tickets are now on sale at Fortney's Drug Emporium.

8. Lois Timmer, notorious local singer, has offered to direct the Kalamazoo Civic Chorus at their spring concert.

9. Mungar Wood, who was involved in a minor accident at Kollen Park when he sideswiped the Crosley car owned by Arlene Poll, was fined by Judge Bernard Greving for wreckless driving. Although their car rolled over several times, Wood and his two companions, Dale Grissen and Dale Baker, were unhurt. Arlene Poll and her friends, Elaine Brower, Donna Ver Schure, and Carol Houtman also were unhurt. Les Klaasen and Barbara Eilander, who were at the park, were listed as witnesses, although it is doubtful that they really saw the accident.

10. George Botsis is out on bail after being taken in custody by Holland police. In raiding Holland Youth Center, police found Botsis deep in a tiddlywink game.



Dogbiscuit the Second Receives Prize.

Dogbiscuit Makes Sensational Finish at North Shore Track

Dogbiscuit II, 12-year-old filly owned by Betty Kuiper, was acclaimed king of the horse world after his sensational victory in the 100-year free style event at the North Shore Polo Grounds. Dogbiscuit appeared to be in good form; but her victory was due largely to the expert horsemanship of her rider, "Jockey" Riemersma. Roselyn Wolters, judge of the event, stated that although Dogbiscuit finished third, he was given the prize for trying. The purse of $2.25 was divided among her three trainers, Gertrude Wagner, Alyda Weller, and Wilma Vander Bie.

"Never-win," the sensational wonder horse of 1909, attempted a comeback today, just 33 years, seven months, and two days after his retirement. Esther Huyser, owner of the animal, took the horse down from his place in the local museum to race him once more in the R. E. Chapman handicap for one-armed horses.

Former Holland High Stars Almost Break World Records

America's two top track stars, Keith Nieboer and Tom "Doc" Walsh, came within 15 minutes of shattering the world's mile record on the ultra-modern cinder track of Holland's new Civic Auditorium, "Riemersma Hall." Two other former track stars of Holland High School, "Swift" Willy Postmus and Leonard Juries, were forced to drop out of the gruelling 20-minute contest. Coach Lloyd Nyland was waiting at the finish line with a case of Wheaties for the triumphant pair as they staggered across the finish line. Walsh, who struck the tape a fraction of a second ahead of Nieboer, immediately collapsed and was rushed to the hospital in an ambulance driven by Rodger Van Nuil. Upon examination, it was found that

the little finger of his left hand was slightly cut, and he immediately submitted to an operation by the notorious brain surgeon, Glenn Weller. The receptionist at the Hospital, Doris Wieskamp, stated that Walsh would probably be released in two or three weeks. Don Weatherwax, Edwin Owen and Glenn Tucker also ran.

The event was covered by cameraman Bob Van Eenenaam of the Pelon Picture Co. and his shapely assistants, Marjorie Wills and Donna Dekker. The Super Deluxe Soda Bar was operated by Joyce and Jayne Baker of the Baker Bakeries.

It has been rumored in the pro football leagues that Donald Hardy of the Green Bay Stuffers has been holding out for at least a 50c increase in salary. Club President Lois Schoon, Club Manager Marvin Busscher, and Coach Bob Van Vuren, after a directory meeting, announced that the top sum offered would be 25c.

Coach Robert "Bronco" Greening of Oshkosh Bigosh Overalls, claims that he has the best line in Northsouthern Conference. The players on "Bronco's" team call him the "Wonder Coach" because they wonder why he is the coach. Jarring Jay Wolbert, leading ground gainer of the Lucky 7 League, has gained at least 7/16 of an inch per try.

Coach Willis Nash reported today that Roving Fielder Jimmie Le Jeune, whose hind legs were injured while coming in on the seventh inning stretch in the cross-country hop last week, would probably start at guard position. Par for the 18th hole was 190. Third baseman Paul Slotman, who was injured on a quarterback sneak, fell on a sand trap at the third hole and landed in a dive. The accident occurred about noon Saturday, and witnesses stated that Slotman was probably blinded by the moon which was full at the time and was being helped home by two stars.

Margaret Rooks, local tiddlywink champion, challenged the leading contestant of the Hamilton, Overisel, and Kruegersville territory, Eloyce Smith, to a return match in Burnips Civic Auditorium.

Beatrice Laman, Donna De Jonge, and Doris Godfrey have left for the South to begin spring training for the approaching Mumbletepeg season. Their program will include long distance running, crossword puzzles, and card parties, under the expert training of Marvin Slagh.

Linesman Earl Newell caught a fly and brought it over to Senator Jillson who has been collecting flies for years. John Macqueen was wound up for the last hurdle when the starting gun went off ending the game. Betty Kuiken was pencil sharpener for the scorekeeper. Jean Mack sold sweets to the boys.

Stanley Wlodarczyk, star pupil of Henrietta Veltman's Latin School, was given a football scholarship to Vande Vusse's School of Physical Education. He will play left tackle to replace Tony Wentzel who graduated to the outer world.

THE JUNIOR CLASS

The Junior Class of 1945-46 has been very active in the school activities.

The music department of Holland High had a large number of Juniors in it. This department is made up of the band, orchestra, and the a cappella choir.

Then there were the athletic activities. The football team, basketball team, and the track team were made up of many junior boys. Not only did the boys take part in the athletic activities, but some junior girls, known as Athletic Sisters, sold candy and gum at the games.

The Student Council was composed of more than half juniors.

The patrons of the Junior Class of 1945-46 were Miss Wiskamp and Mr. Mackay. The class is deeply grateful for all the help they have so kindly given.

COUNCIL

June, 1946, brings to an end the thirty-second Student Council of Holland High. Holland High's form of Student government is known to be one of the finest in our state, and many schools have copied our plan of government.

Under the leadership of the council, the students sponsored a variety of projects with enthusiasm and success.

In November, American Education Week was observed with worthwhile Chapel programs and an impressive Armistice Day assembly.

Christmas, too, was of special significance, as the council led the school through a week of interesting programs. The spirit of Christmas was maintained as the students presented large baskets of food, and money to the Salvation Army and the City Rescue Mission.

The many other activities of the council of 1945-46 met success only because of the fine cooperation and spirit of the Holland High School students.

BOOMERANG BOARD

After grueling hours of work, with strain on both mind and body, the *Boomerang* Board finally finished work on the 1946 annual. Impressed upon their minds forever are visions of heaps of typewritten copy, cardboard and glue, and a mountain of pictures with countless leering faces. Finally, an end came to their suffering, and with it a glorious celebration in the form of weak shouts and weaker echoes.

Think of these, people, when you review the joyful years recorded in your 1946 *Boomerang;* for the only aim of this faithful group was to capture and record the many pleasant memories which we all have of Holland High School.

HOLLAND HIGH HERALD BOARD

Subscriptions for the *Holland High Herald* are taken by the journalism students a few days before the first issue of the paper is published. Approximately 750 copies are distributed to the faculty and students in Holland High School. The number of former graduates now in the armed services who are receiving the *Herald* totals about 450.

Journalism students edit and publish the *Herald* which is printed in the Junior High print shop. News, sports, features, and editorials are included in the paper which consists of four pages. There is a special Christmas edition of four to six pages. An extra pictorial insert called the "Roto" is added each month. The "Roto" is edited and published by the National Scholastic Press Association and sponsored by the Western Electric and Manufacturing Company.

The paper is self-supporting through the sale of subscriptions and advertising. A gift of $150 from the class of '45 finances the cost of mailing Heralds to those in the service.

MUSIC DEPARTMENT

The purpose of the music department is twofold. The first purpose is to provide an outlet for those students who enjoy music. Secondly, the music department provides service to the community through programs and concerts. We are proud of the three fine organizations — the a cappella choir, band, and orchestra — which we have in our school. This year Holland High also produced some able soloists and ensembles in the musical field. To all in this department go our congratulations for a good year and thanks for good service.

SENIOR PLAY

This year the class of '46 chose as its annual production, "Ring Around Elizabeth," a comedy in three acts. It was presented to the public on March 18, 19, 21, and 22, and was enthusiastically received.

Netting a clear profit of $840, "Ring Around Elizabeth" ranked tops in sale totals. Mr. E. D. Hanson and Mr. T. H. Carter did a fine job supervising the business angle of the play.

Special recognition should go to Miss Ruby Calvert, advisor and director, who concentrated all of her time and effort in the attempt to bring forth a good performance.

The cast in order of appearance is as follows:

Laurette Carpenter Styles	Barbara Eilander
Hubert Cherry	Wendell Pyle
Mercedes	Betty Harris

Jennifer	Huldah Bequette
Elizabeth Cherry	Shirley Bedell
Irene Oliver	Betty Kirkwood
Harriet Gilpin	Donna Vande Vusse

GIRLS' LEAGUE

Holland High School Girls' League is an organization of which every girl in high school is a member. There are four officers: president, vice-president, secretary, and treasurer.

At the beginning of each semester, the League has charge of the Book Exchange. Profit earned from this venture is placed in the treasury and is used for various causes throughout the year.

A gym party was given in November to get the girls acquainted with each other. This party took the form of a planned potluck.

The Christmas program was centered around a different theme from that of former years. Instead of bringing gifts and donating them to the needy of our city, the girls brought "White gifts" to be sent to the Netherlands. Some of the profit from the Book Exchange was used to mail these boxes.

CAMERA CLUB

Under the able leadership of Mr. Albert Schaafsma, the Camera Club enjoyed an unusually successful year. While taking pictures for the *Boomerang* and the *Holland High Herald* was the chief activity of the club, interested students gained experience in the art of taking better pictures and in doing their own processing. In the course of the year the members were given opportunities to exhibit their work at club contests. With the money collected by their activities, the group purchased considerable new equipment for the darkroom.

HI-Y

During this year the Hi-Y has played an active part in the school activities of many boys.

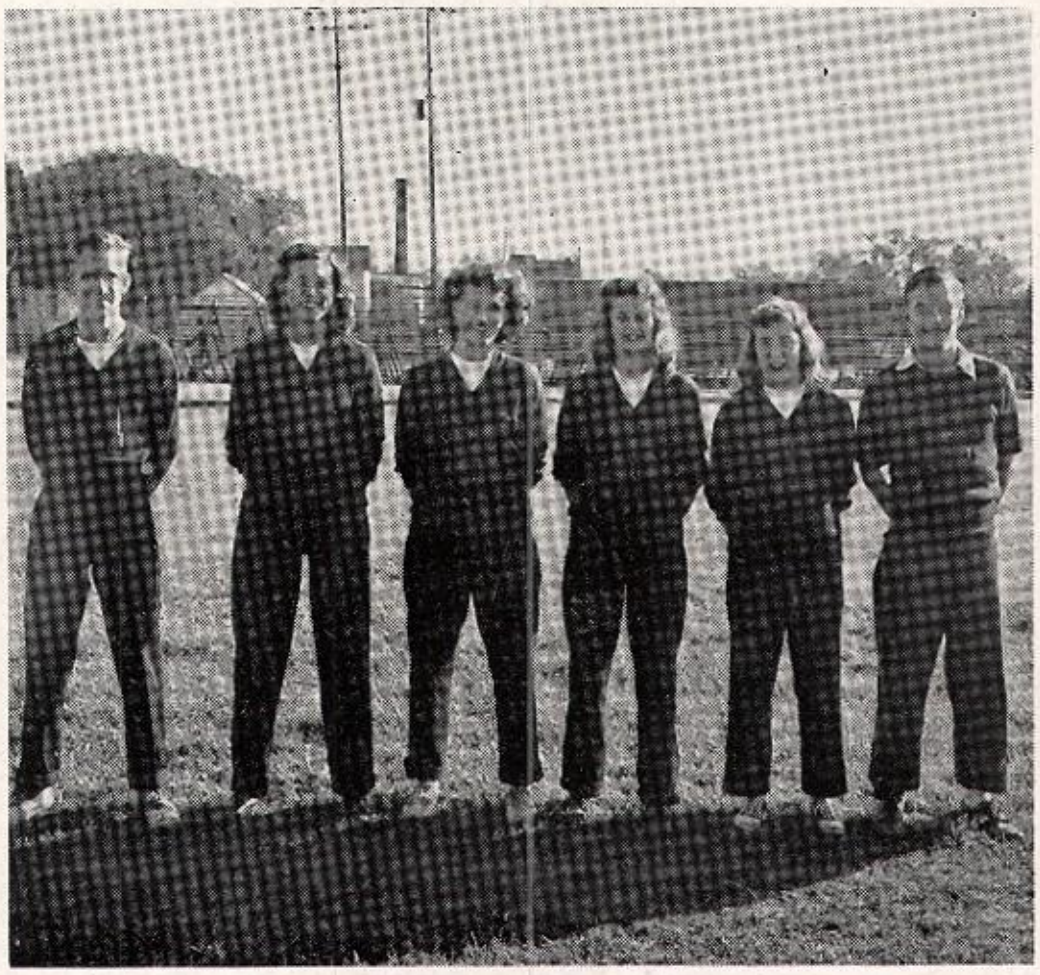
Hi-Y has had delegates at all the district meetings, including eight boys at the State Older Boys' Conference. The enjoyable meetings held in Holland High by the Hi-Y helped the boys not only physically but mentally. Many fine discussion meetings were held, and outside speakers came in and helped the boys with their problems.

This year the football programs at our games were procured by the Hi-Y. The annual pencil sales, by the boys and Advisor Leon Moody were enjoyed by all who had "left their pencils at home."

CHEER-LEADERS

Leading Holland High's student body in cheers this year are a peppy sextet of cheer-leaders. They have, however, acutely felt the manpower shortage due to the fact that one of their male associates, Bob Northuis, has enrolled in the "University of Great Lakes." Bob writes that his school colors are now navy blue and white, and that he's having gobs and gobs of fun.

This leaves Norman "Bubbles" Bredeweg as the only masculine member of the group. Working with him are a female foursome including Dona McCormick, Dolores Visschers, Elaine Zeerip and Betty Kirkwood.



Northuis, Zeerip, Visschers, Kirkwood, McCormick, Bredeweg.

POLICE BOARD

The Police Board of Holland High School consists of the Chief of Police and officers under him. With the aid of Principal J. J. Riemersma and Mr. Leon Moody, faculty advisor, the Police Board carries out its various duties.

In addition to the regular duties carried on in the past years, the Police Board of this year undertook a new job of safeguarding student cyclists and pedestrians. In cooperation with the Holland Police Department and the Holland Safety Commission, the Police Board carried on an active safety program.

PERSONNEL BOARD

The personnel board is the unsung hero of Holland High. It is composed of eight members under the direction of Miss Clara Reeverts and Miss Ruth Blekkink.

The duties of this board are:

1. To keep personnel records of each student in school.
2. To evaluate and record all the activities in which the student has participated, the offices held, and any honors earned.

When a student graduates, this card is transferred to a permanent record file, and any employer or other person requesting information about a former student is referred to this file.

ATHLETIC SISTERS

Holland High School has a right to be proud of its organization of Athletic Sisters, who sell confections at the football and basketball games. They sell pop, candy, popcorn, and hot-dogs. Despite the high prices and war time shortages, they have managed to exceed the sales of previous years. The proceeds of these sales go into the athletic fund which helps buy equipment for the teams.

MAGAZINE CAMPAIGN

Each year the Senior class of Holland High School conducts a magazine campaign to finance the printing of the *Boomerang*. This makes it possible to provide each student, who pays his class dues, with a year-book. The campaign is run on the basis of competition. This year sides consisted of the girls (Coeds) versus the boys (Boyeds). This competition makes the campaign more interesting and provides a goal for each team. Every year the losing team must plan a party for the winning team. The Coeds were victorious this year. Captain of the winning team was Barbara Eilander, with Shirley Bedell as her assistant; and Eugene Marcus headed the Boyeds, with Bob Northuis as his assistant.

This year the magazine campaign was highly successful. The proposed quota was reached and was finally exceeded by 4%. A profit of $1794.45 was cleared.

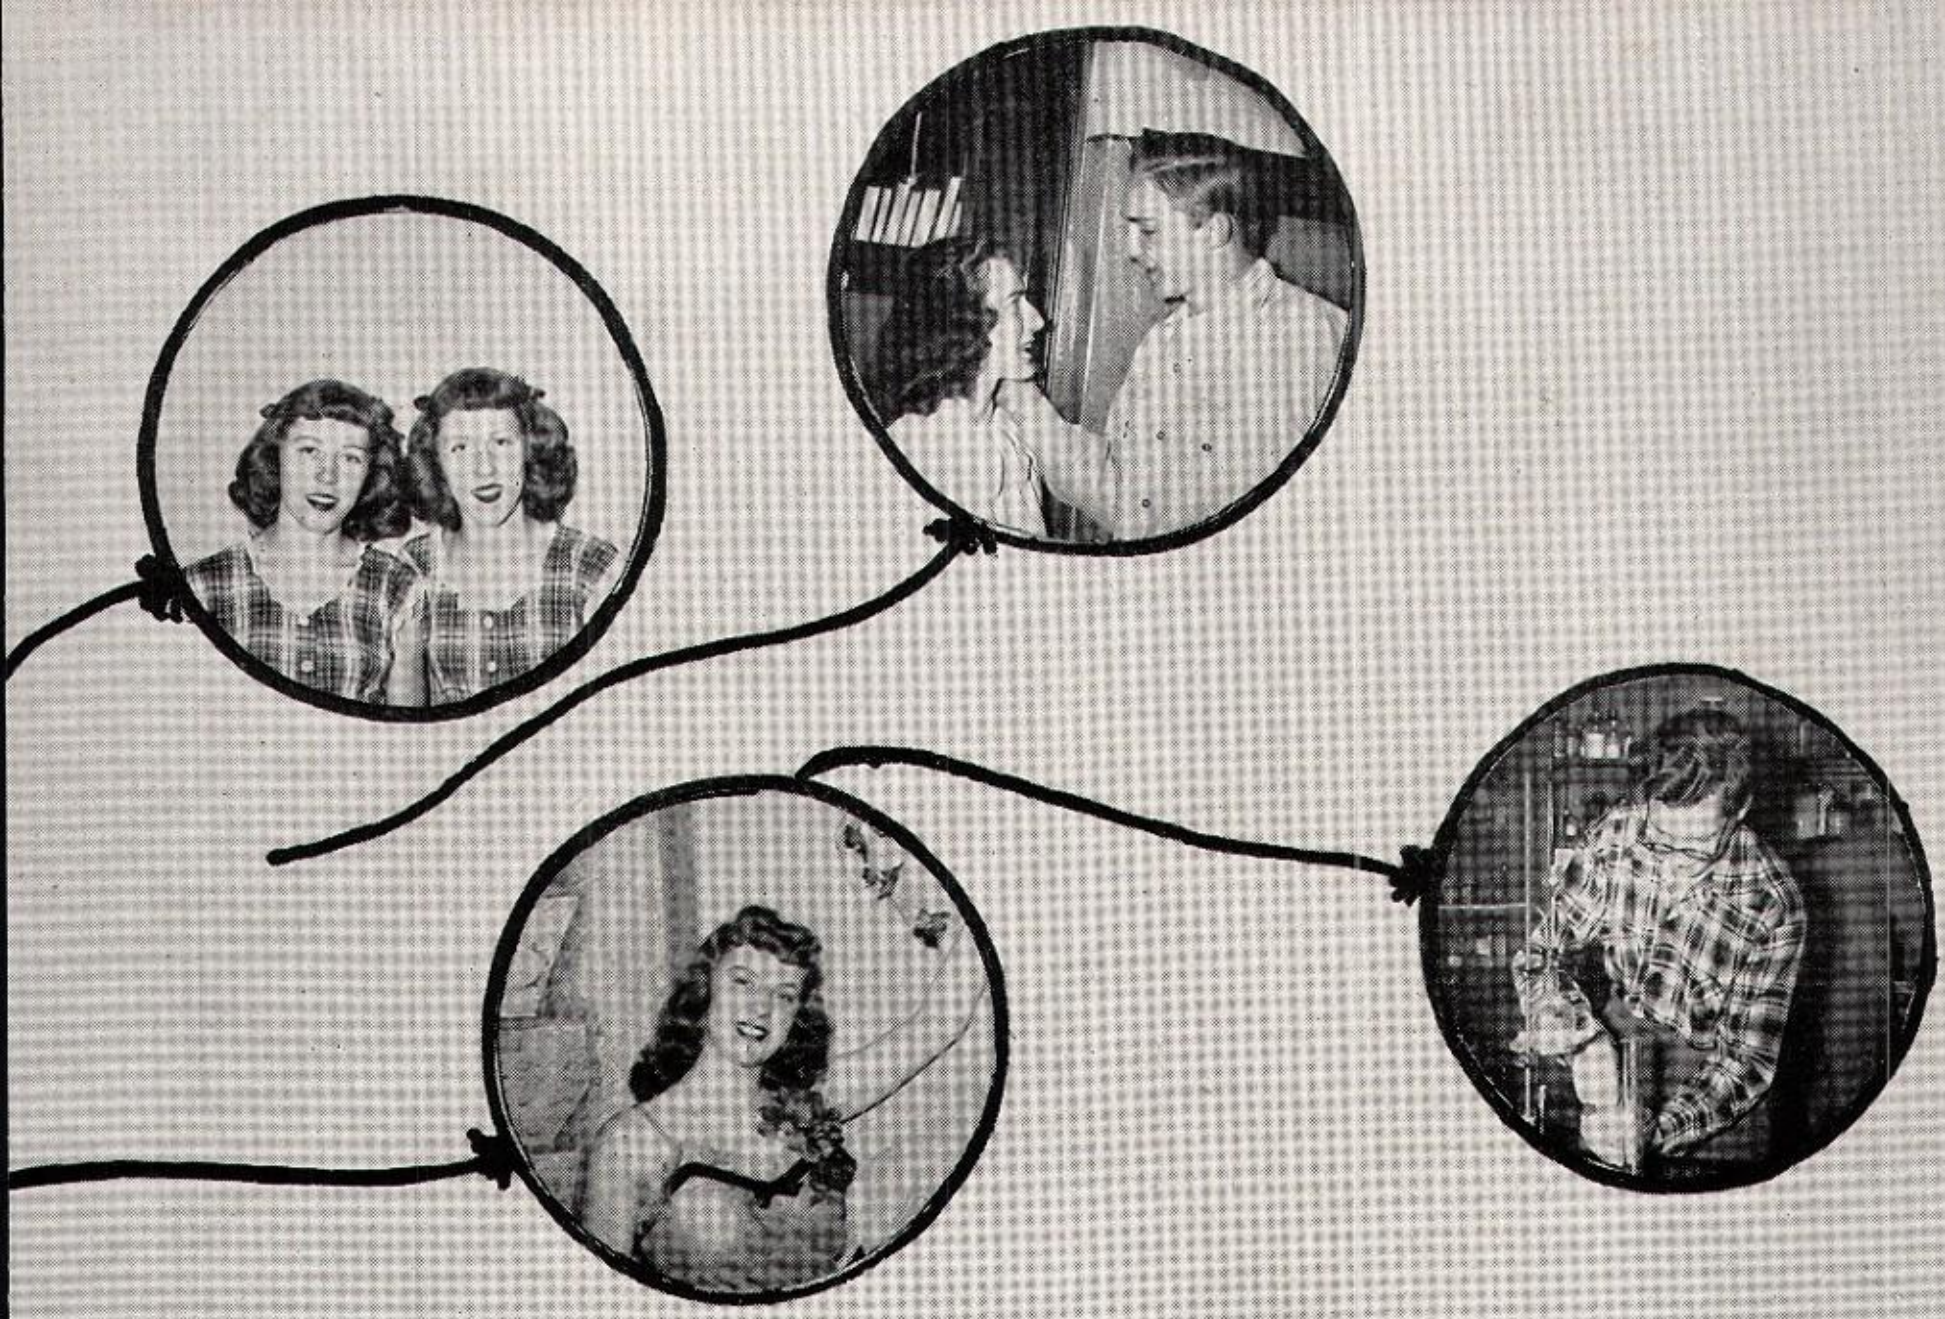
Shirley Nierhaus



Best Looking Girl — Barbara "Hubba Hubba" Hintz, known to her local admirers as "the shape," is our candidate for the crown as class beauty. Her warm friendly smile and attractive personality are combined in just the right proportions to give her that extra something!

Best Looking Boy — Gail "Adonis" Van Zyl, known locally as "God's Gift to Women," was naturally our unanimous choice as the handsomest man in the class of '46. His stunning profile and "Charles Atlas" physique (?) combine to make him the "King of the Bobby Soxers."

Big Shot — The Class of '46 was extremely fortunate to have within its ranks the most important man in school. This busy man was for four years Mr. Riemersma's closest friend and advisor, besides finding time to offer his valuable services to every campaign. By now you must surely have guessed that this is none other than "Smiling" Bobby Becksfort.

B. T. O. — Arf! Arf! Is it a dog? No, sorry, it's just Bob Israels getting warmed up for another night's work (work, that is!). The winning ways that Bob has with the women just come natural to this handsome sheik with the gleam in his eye. It seems his favorite song is "On the Trail."

Clown — Tom "Doc" Walsh, class humorist and funnybone, is without a rival for the title of "Class Clown." Although this wit (yuk! yuk!) has many imitators, he is actually in a class by himself. Need we say more . . . ?

Look-Alikes — The class of '46 has within its numbers two pairs of identical twins. Joyce and Jayne Baker and Helen and Mary Wolbert. So, if at any time you get dizzy and think you're seein' double — well, our advice is to see a doctor. (That's a joke, son!)

Cue Ball — Marv "Baldy" Ver Schure really made the old school sit up and take notice with his classy short bob (short, that is) hair-do. For the modest sum of 25 dollars this thrifty character got out his razor and for quite some time was able to clean his hair with Shinola.

Couple — Our selection for class couple is "the great John L." Klaasen and Miss Barbara Jean Eilander. Besides being active in school projects, both enjoy several other extracurricular activities! These mutual interests and activities seem to satisfy them both.

Genius — If the average student in Holland High School is not aware of the presence of a super brain it's not Larry Des Autels' fault. But, in case you haven't heard, our candidate for the brainiest character in school is none other than Larry "Einstein" Des Autels.

SPORTS

Standing — Bilek, Botsis, Van Ingen, Vander Kuy, Israels, Nysson, Kuipers, Van Dyke, G. Barendse, Harrington, Vande Wege, Slager, Malchow, Groters, Boes, Van Dorple, Allen, Lindsay, Grissen, Van Kampen, Bocks, McCormick.

2nd — Oonk, Slagh, Greening, McClure, Exo, Wlodarczyk, Hinga, Zwemer, Baker, Schepers, Bauman, Caravia, Van Tatenhove, Van Eck, Van Voorst.

Front — Van Oosterhout, Bruinsma, De Waard, Hopkins, Price, J. Barendse, De Weerd, Pershing, Van Duren, Dozeman.

Camburn, Coach; McClure, Captain.

VARSITY FOOTBALL

This year's varsity football team ground through its nine-game schedule with a record of three wins, five losses, and one tie, the tie being against Holland's traditional rival, Grand Haven. At the beginning of the season the squad displayed several fine performances, and, using the T-formation, trampled three of its first four opponents. After being beaten in a very close game by Muskegon, however, something snapped. Two members of the team did receive special honor, being named on the All-Conference team. They were Captain Stan McClure, a senior guard, and Kenny Kuipers, halfback, a junior. Coach Paul Camburn and his boys should do better next season, though, as plenty of juniors saw action this year. Scores for the games were:

Holland	30	Traverse City	14
Holland	7	Western State	0
Holland	7	Muskegon Heights	37
Holland	32	St. Augustine	0
Holland	12	Muskegon	18
Holland	0	St. Joseph	13

VARSITY BASKETBALL

After a 27-year lapse Holland High can again be proud to say — "We're the State Champs!" Yes, this year our varsity basketball team captured the Michigan High School Class A Basketball Championship. After regular season play, during which the team won nine games and lost six and placed second in the tough Southwestern Conference standings, the boys really showed some high calibre basketball. In the words of Coach Mackay, who, incidentally, deserves much more credit than has been accorded him, "The two biggest contributing factors toward our winning the championship were the competitive spirit of the boys and their excellent team play." There was no individual star on the team. All members were high scorers and to stop them the opposing teams had to stop five stars. And they just couldn't do it. Three of the team members were given special honor by being placed on the All-Conference team. They were Leo Vander Kuy, Bud Vande Wege, and Jack Van Dorple. The first two players also were placed on the all-state squad. Following are the scores of all the games:

Holland	43	- -	Ottawa Hills	48	Holland	53	- - -	Grand Haven	35
Holland	37	- -	Muskegon	33	Holland	46	- - -	Lansing Sexton	34

RESERVE FOOTBALL

The reserve football team of Holland High, coached by Mr. Carroll Norlin, made a fine record during the past season. The Little Dutch rampaged through a nine-game schedule with seven victories and two losses. They scored 155 points to only 38 for their opponents. At the end of the season, Bob Sundin and Bill Bocks, two outstanding linemen, were elected co-captains of the team. The reserve squad should furnish the varsity with some real material next year. Here are the scores of the reserve games:

RESERVE BASKETBALL

The second team also had a very successful season this year. Under the able tutelage of Coach Fred Weiss they fought their way to a tie with Kalamazoo Central for the Conference championship. There is no second team trophy, however. The reserves were a well-knit unit, always "in there pitching." At the end of the season two of the members of the team were elevated to the varsity for tournament play. They were Herm Slager and Don Van Hekken. These boys both saw action in the Ottawa Hills game. Here are the reserve squad's scores.

COACHES

Here are the men whose responsibility it is to teach the boys how to play. To them much credit is due for the successful year Holland High has had in its interscholastic sports program. We were happy at the beginning of the second semester to welcome back two servicemen to the coaching staff — Mr. Edward Damson from the Navy, and Mr. Austin Buchanan from the Army Air Corps.

Mr. Leon Moody — Athletic Director.
Mr. Paul Camburn — Football.
Mr. Malcolm Mackay — Basketball and Track.
Mr. Carroll Norlin — Baseball and Reserve Football.
Mr. Joseph Moran — Tennis.
Mr. Fred Weiss — Reserve Basketball and Ninth Grade Football.
Mr. Austin Buchanan — Intramural Sports.
Mr. Edward Damson — Unassigned.

TRACK

Coached by Mr. Malcolm Mackay, last year's track team won five and lost two dual and triangular meets and placed fourth in the combination conference-and-regional meet. At first glance, this looks like a fair season, but coupled with the loss of only three seniors, this indicates that Holland High can expect to hear plenty from the thinclads this spring.

BASEBALL

Holland High's baseball nine, under the tutoring of Coach Carroll Norlin, completed a none-too-successful season in 1945, winning only three games and losing seven. At the beginning of the season things looked very bright and the team registered two successive wins. But bad breaks and the loss at mid-season of Ernie Victor, star pitcher, combined to break up a winning combination. Many boys gained experience, however, and this spring's squad looks fairly strong in most departments. Following are the scores of the 1945 games:

Holland	8	South Haven	3
Holland	8	Benton Harbor	0
Holland	0	Muskegon	2
Holland	1	Muskegon Heights	2
Holland	3	Grand Haven	6
Holland	0	Kalamazoo	4
Holland	6	Grand Haven	4
Holland	3	Muskegon Heights	5
Holland	0	Muskegon	1
Holland	2	Benton Harbor	7

TENNIS

Coach Joe Moran's tennis team last spring completed what was undoubtedly one of the most successful seasons Holland High netters ever achieved. After going through an undefeated series of dual and three-way matches, the team, composed largely of seniors, tied Kalamazoo Central for the Conference championship and went on to win the title. Thereby Holland qualified six men for the state tournament. Al Van Meeteren turned in an especially stellar performance by copping both the conference and regional singles titles. This spring, as the team returns to the courts, its ranks are greatly depleted by graduation, but another good season is in prospect.
